PRESS RELEASE: Rob Altman Announces Campaign for Congress in Texas’s 10th District Following Thanksgiving Season Reflections on Service, Community & Gratitude

BRYAN, TX — Today, U.S. Army veteran, business leader, Texas A&M graduate, & proud Texan **Rob Altman** officially announced his candidacy for the United States Congress in **Texas’s 10th District**, making his decision based on faith, gratitude, & a renewed call to serve.

This Thanksgiving season, Altman says he has been reflecting deeply on the opportunities & blessings he has been given — from serving his country, to building a career rooted in hard work, to raising a family in Texas.

Last week, America honored its veterans. Shortly afterward, Altman was awarded the **Congressional Veteran Commendation** by Congressman **Pat Fallon** in Plano, an honor he describes as humbling & deeply meaningful.

“This is a season of being thankful,” said **Rob Altman**. “I’m thankful for my family, my faith, my community, & this country that gave me every opportunity in life. Receiving the Congressional Veteran Commendation last week reminded me that service is a lifelong calling & that calling has led me here today.”

Altman said the decision to run came after months of conversations with **veterans, business owners, students, & families** across the district who expressed concerns about the cost of living, the situation at the border, & veteran reintegration back into civilian life.

“People are frustrated. They’re worried about their families, their jobs, & the future of America,” Altman said. “After listening to them, I realized something clearly: it’s time to stand up, step forward, & serve again.”

Altman’s campaign, *Altman for Texas*, centers on the values that shaped his life: **faith, family, & freedom**. His priorities include restoring common-sense leadership, securing the border, reducing federal waste, supporting veterans, empowering small businesses, fueling the economy, & putting America first.

“I’m running to be a voice for the people of Texas’s 10th District, to bring back accountability, defend our values, & fight for a stronger, safer America,” Altman said. “Service is a never-ending mission, & I will always answer that call.”
